

FOR SALE

11173 North East Wawasee Drive

This is a NEW home on Lake Wawasee with an excellent view (especially from the Master bedroom). There are 5 bedrooms total that include a bunk room for the kids. A walk-out basement with an entertainment area makes for a great transition into the custom landscaped yard. A sitting deck on top of a lake side garage sets this home apart. Includes a back lot with a pole barn and lots of room for parking.

back lot with parking

great views
